# SUMMER WORKSHOP SERIES

Expanding young minds with interactive, educational workshops

# Welcome to the British Tutors Summer Workshop Series

We are delighted to present our summer programme of interactive educational workshops for Hong Kong children, now in its tenth anniversary year.

Whether you are looking for curriculum enhancing activities or creative experiences, our summer programme offers everyone the chance to get involved and participate in something unique.

We look forward to seeing you at one of our workshops soon!

## The British Tutors team

### Who are the workshops for?

Our workshops are designed for children of all nationalities and abilities from 2-13 yrs. For older students, please contact British Tutors to discuss how we can accommodate your needs. We also welcome family groups and would be delighted to incorporate parents, nannies and helpers into our programme of activities.

### Where do the workshops take place?

All workshops take place in your home, unless specified. All of the materials and resources are provided by us.

### When do the workshops take place?

The workshops take place at a time and date convenient to you during the school summer holidays from June – September 2018. We will do our very best to accommodate your availability.

### How many people can attend a course?

Each workshop can accommodate any number of children, from one child to a larger group of siblings or friends. Why not book a workshop for your child's birthday party or for a family group?

### How does the pricing work?

Prices are per workshop, not per individual. Each workshop's price is listed alongside the information in this brochure.

### Who teaches the workshops?

All workshops are taught by specialist, dynamic and experienced members of the British Tutors team.

### How do I book?

To make a booking for a workshop or for more information, please contact [info@britishtutors.com](mailto:info@britishtutors.com) or call 8191 2252.

## Little Learners

### Workshops for 2 - 5 year olds

#### Find Your voice!

Young movers and shakers are invited to join our early years music specialist for this interactive singing, percussion and movement workshop. A brilliant way to enhance your children's on-going speech, language and motor skills development; this two hour interactive workshop involves musical story time, a homemade junk percussion orchestra, puppets and lots of opportunities to sing, dance and groove.

**Learning Outcomes:** Language development, speaking confidence, gross and fine motor skills.

2hr workshop

Cost: \$2500

#### Star Performer

Unleash your child's acting potential in this action-packed drama workshop full of music, movement and imagination. Led by our drama practitioner, children explore mime, movement, tongue twisters and sound effects in activities including prop box games, improvisation and a lively performance of a short play. Perfect for groups of friends, keen to tread the boards!

**Learning Outcomes:** Communication skills, creative thought, public speaking.

2hr workshop

**Price:** \$2500

*This course is recommended for children age 3+ but also available to older children on request. Please speak to Yolanda at British Tutors.*

#### Get crafty with recycling!

Taking the environment as the theme, this workshop is a chance for your child to roll up their sleeves and be creative. Learning about the three R's, Reduce, Reuse and Recycle, we study stories of environments around the world and create an art piece made entirely of recycled materials. A dynamic craft-based workshop exploring different materials and textures while learning how to help the planet.

**Learning Outcomes:** Artistic creativity, social awareness, fine motor skills.

2hr workshop

**Price:** \$2500

## Young Explorers

### Workshops for 5 - 9 year olds

#### Once Upon A Fairy Tale

Inspired by beautiful princesses, talking frogs, fairy dust, knights in shining armour and evil warlocks, this magical creative writing workshop will spark your child's imagination through fairy tale writing. Using a classic story framework, children will practise their composition and develop comprehension, analysis and conversation skills, culminating in the creation of their own written and illustrated storybook.

**Learning Outcomes:** English writing skills, comprehension, imagination, self-expression.

2.5hr workshop

**Price:** \$2900

#### Get Your Message Across!

Exploring the power of language through the medium of advertising, students will look at famous ad campaigns by some of the biggest brands in the world, study how and why advertisements work, develop their critical acumen and create their own print advertisement using the language tricks of the trade.

**Learning Outcomes:** English language skills, analysis, literary technique, persuasive writing.

2.5hr workshop

**Price:** \$2900

#### A Space Odyssey

Challenge young minds this summer with our out of this world astronomy workshop. Your child will delve into deep, dark space: galaxies, nebulas, stars and black holes. We will experiment with gravity, eclipses, solar power and even make our own sunset. Ideal for curious minds, keen to join the conversation about what's out there and test out their theories.

**Learning Outcomes:** Scientific knowledge, testing and evaluating a hypothesis, drawing conclusions.

3hr workshop

**Price:** \$3300

#### Stories of the Ancient World

Join us as we travel back to the world of the Ancient Greeks and Romans for this dynamic story workshop, looking at the myths and legends of the age. Learn a little Latin and Greek and then set sail with the Argonauts, escape the raging Minotaur, climb Mount Olympus to meet the Gods and fall in love with Cupid. Then return to the classroom and become your own mythmaker, creating a unique adventure story to add to your collection.

**Learning Outcomes:** Latin and Greek language skills, cultural insight, vocabulary building, story writing.

2.5hr workshop

**Price:** \$2800

#### Vive La France!

Discover a country, a culture and a beautiful language in our French workshops. Through the exploration of the local language, traditions and cuisine these lively workshops uncover the sights and sounds of France. Led by a native French speaker, 'Vive La France' is ideal for children who have already enjoyed a trip to France and know a little of the language, or for those who would like to try something new. Suitable for all abilities.

**Learning Outcomes:** French language skills, cultural insight.

3hr workshop

**Price:** \$3300

*A longer course is available on request, tailor-made for different ages and abilities.*

# Moving On Up

## Workshops for 8 - 13 year olds

### Philosophy: The Big Questions

What is truth? What is the difference between people and animals? Do we have a responsibility for the world? Get your child's brain flexing in this thought-provoking workshop looking at the big questions of our existence. Using Aesop's fables, Buddha's stories and Genesis we wrestle with life's mysteries and how they have been processed by cultures around the world.

**Learning Outcomes:** Critical thinking, debating skills, reasoned argument.

2hr workshop

**Price:** \$2600

### Shaking up Shakespeare!

Putting new twists on Shakespearean classics, we link Elizabethan life to modern day Hong Kong. By decoding the bard's ideas, characters and storylines we unlock the secrets of the plays and then create our own versions inspired by local life. Hamlet living on The Peak? Prospero on Lamma? It's all possible!

**Learning Outcomes:** analytical skills, literary technique, vocabulary development, creative writing.

2.5hr workshop

**Price:** \$2900

### Rhyme and Reason

Do all poems have to rhyme? Can a poem be a square? What is a poem for? Join us on a journey of discovery as we look at limericks, haikus and sonnets from across the ages and work out what poetry really is. Building on our exploration of this form, we then create our own original poem and master a performance by the end of the workshop.

**Learning Outcomes:** poetic technique, analytical skills, vocabulary building, public speaking.

2hr workshop

Cost: \$2600

### Hot Off The Press!

Join the hustle and bustle of the British Tutors newsroom and transform into real life reporters and editors in this newspaper workshop. Together with one of our English tutors, students will create news scoops with hard-hitting headlines and lay out articles with photos and graphics in their very own newspaper. Ideal for creative and ambitious young writers.

**Learning Outcomes:** Writing for an audience, varied writing styles, structured composition.

2.5hr workshop

**Price:** \$2900

### Loquerisne Latine? (Do you speak Latin?)

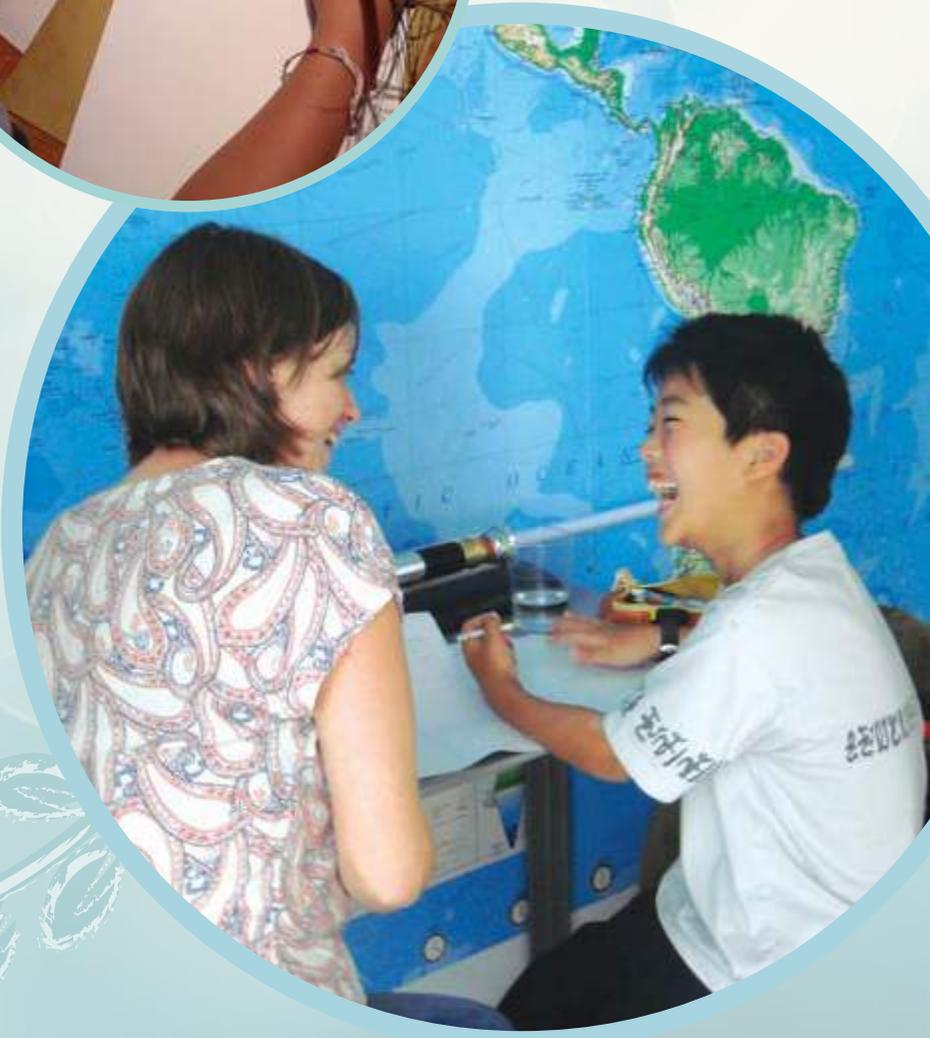

Let our Latin expert guide you through daily life in Ancient Rome. Study the beginnings of the language with useful vocabulary, phrases and grammar and enter a Roman house to learn what the Romans ate, where they lived and how they worked. See how this compares to our life, do we have similar words and grammar in English? Do we eat the same food and value the same things? A wonderful introduction to ancient history and Latin.

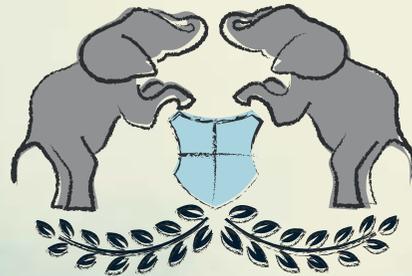

**Learning Outcomes:** Vocabulary and grammar skills, Language acquisition, cultural insight.

3hr workshop

**Price:** \$3300

*"It was good to see the kids having so much fun while story writing... a great workshop!" Mrs F*
